Check-in Process & Precautions

1. 10:15 AM: Check-in starts.
2. Open email and download your Case Study on your computer.
3. Make sure only these applications are open: MS Excel – Case Study only, MS Word / Notepad, Browser-RevPro, Browser-SharePoint folder only.
4. Make sure you are not wearing headphones or earbuds.
5. Log into Zoom call.
6. Camera – ON, Mic – Unmuted, Screen Sharing – ON.
7. Wait for Proctor to admit you.
8. 360 degrees spatial review (walls, ceiling, doors, windows, over and below the desk, other screens, ears).
9. Listen carefully to rules read by proctor.
10. Confirm that you understand rules by typing “Yes” in Zoom chat.
11. If you have any questions, then only use Zoom chat.

At 10:30 AM: Click “Start” in RevPro assessment to start the Case Study Assessment

Process & Precautions During Assessment

1. Assessment timing: 10:30 AM to 2 PM
2. Open RevPro & click “Start” Assessment.
3. Review and solve your case study. Take your time. No need to rush.
4. MCQ questions: Solve in Excel > Enter answers in RevPro.
5. Narrative: Solve in Excel > Enter answer in RevPro.
6. After completion, “Submit” RevPro assessment.
7. Upload your Case Study Excel File to SharePoint folder.
8. SharePoint folder only accessible until 2 PM. Locked after that.
9. Do not talk. **No headphones or ear buds.**
10. No one should enter the room. **Webcam always ON.**
11. No music in the background. **Mic always unmuted.**
12. Use single computer screen only.
13. Allowed applications. **Screen sharing always ON.**
 - Browser (Chrome) with only tabs open for RevPro & SharePoint folder.
 - Microsoft Excel
 - Microsoft Word / Notepad
14. Do not use AI.
15. Do not take help from anyone.
16. Break only during designated time slot.

One pre-determined 10-min break only. Break times communicated with you individually

RevPro Proctoring

- Keep RevPro assessment open for entire duration: 3.5 hours (or until you are done with everything)
- Multi device detection.
- Copy and paste detection but no termination.
- No window violation detection or termination.
- No image capturing, image violation, or termination.

Zoom Proctoring

- Video turned on for entire duration (15 minutes check-in + 3.5 hours). Only Proctor can see you. Other associates cannot.
- Audio turned on for entire duration.
- Screen sharing turned on for entire duration. Only Proctor can see your screen. Other associates cannot.
- Group chat disabled. Possible to chat with proctor.
- One Zoom meeting: 5 or 6 associates.
- Client may drop in any time.

To Do before Assessment

- Restart computer.
- Download and install Chrome.
- Download and install Zoom app.
- Ensure other devices are not using internet.
- Get good rest overnight.
- Start day early.
- Eat good quality & quantity breakfast before assessment.
- Keep coffee and/or bottle of water nearby.

All the best. You've got this.
